

Daniel Tsang

Sub-Region C Representative

Dear Members of Sub Region C,

My name is Daniel Tsang and I am currently a junior at Loyola University of Chicago in Chicago, Illinois from the Illinois-Eastern Iowa Circle K District. I just wanted to start off by saying that it is an honor and privilege to be running for International Representative for our wonderful sub-region. The Kiwanis Family has given me so much over my six years of involvement that I truly feel it is necessary to share my enthusiasm and excitement with everyone!

If elected as your representative, I vow to listen to the districts in our sub-region and vote on issues accordingly so your voice can be heard. I want our sub-region, districts, and most importantly, our clubs to SOAR to new heights.

Serving one day at a time,

Daniel Tsang

Proud member of Sub-region C
