

Natalie Szemetylo for Subregion E International Representative

Endorsed by the CKI Club of The University of Akron

Greetings Subregion E!!!

I am seeking the office of Subregion E International Representative. I have shown my ability as a leader throughout my membership in CKI where I have taken on various leadership roles in my home club, the Ohio District, and in our international organization. I have gained the experience needed to take on the job of Subregion E International Representative.

In addition to the leadership development that I have experienced this year, I have served our community, the very core of CKI.

Thank you for your consideration and have a great International Convention.

Yours in Service & Friendship,

Natalie Szemetylo
Natalie Szemetylo

Goals

- Evaluate Educational Resources
- Develop Relationships with District Governors & District Boards
- Establish Monthly Subregion E Chats
- Implement a Subregion E Recognition Program

About Me

- **Hometown:** Zanesville, Ohio

- **Birthday:** March 1, 1990
- **Years in the Kiwanis Family:** 7
- **Favorite Color:** *Pink*
- **Favorite TV Show:** *Glee*
- **Favorite Movie:** *Wizard of Oz*
- **Favorite Book:** *To Kill a Mockingbird*

Platform

Evaluate Educational Resources: Evaluate the Current Educational Resources Available Through International; Create Reusable, Updated, and Informative Resources for Members, Clubs, and Districts

Develop Relationships with District Governors & District Boards: Weekly Individual Phone Conferences with District Governors; Subregion E Governor Chats; Become a Voice for Districts of Subregion E on the International Board

Establish Monthly Subregion Chats: Educate the membership of Subregion E through online chats focused on certain topics from the CKI Service Partners to International Convention & LSSP

Implement a Subregion E Recognition Program: Recognize the successes in our subregion from membership to service to outstanding servant leaders through spotlights in newsletters and other media. Clubs and members can learn about other success that they can in return take back to their home clubs & districts
