

## Proposed Bylaw Amendment

### ARTICLE 12. OFFICERS

**Section 1. Officers.** The officers of Circle K International shall be a president, a vice-president, a representative for each Subregion, [a representative to non-districted clubs](#), the Director of Circle K International, and the district governors.

**Placement in Bylaws** – Article 12, Section 1

**Rationale** – This change adds the representative to non-districted clubs to the board of international officers. This is part of the proposal (which should be blocked) to create an eighth international representative as a member of the International Board. The purpose of this proposal is to give better representation to our clubs that are non-districted, which essentially is the “I” of CKI or many of our international clubs. This past year, the CKI Growth Task Force ad hoc committee included international members in our committee system and highlighted shortcomings in our international communication structure. Because of these shortcomings, the idea of another international representative, dedicated solely to these members of non-districted clubs, was created.

The CKI director has asserted that such a move is fiscally within CKI's capabilities. As an international organization, it is our duty to provide accurate representation to all of our members, lest we face “taxation without representation.” It is our mission to provide this through an eighth international representative to non-districted clubs.
