

In honor of Carthage College, the campus where Circle K began, and the Pullman, Washington, Kiwanis club, which helped build the concept of a campus service club, the Circle K International Board of Trustees created the Carthage-Pullman Society.

One may become a member of the Society or increase his/her giving to the program either by making a single US\$250 contribution or through a minimum initial contribution of US\$50 and a pledge to contribute the balance over four years.

New Carthage-Pullman Society members receive a medallion hanging from a blue and white ribbon, a lapel pin, and a recognition plaque.

Each year at the CKI convention, a Tomorrow Fund/Carthage-Pullman Society reception recognizes Society members, as well as other contributors to the Sapphire Circle Honorary and the Tomorrow Fund.

Members who make additional US\$250 contributions attain diamond-level status. Diamond recipients receive a diamond* lapel pin.

Carthage-Pullman Society earnings are building the Tomorrow Fund endowment within the Kiwanis International Foundation. Interest income is used to provide CKI club and district grants in support of service efforts on their campuses and in their communities. These grants give them the boost to get the projects going when they might not otherwise have been able to provide assistance to others in need.

Join now, and help accomplish CKI members' pledge to foster compassion and goodwill through service and leadership.
