

# Why Dues Matter

Paying dues takes a lot of work and a lot of money. By why do we need to pay dues to be in Circle K International?

There are three different types of dues: international, district and club. International and district dues are paid by clubs, and club dues are paid by members. District and club dues are paid on a per-member basis, with the amount determined by the respective boards. If you have any questions about what district and club dues fund, ask your respective treasurer.

International dues are a bit different: They are determined by the size of your school. If your school is a four-year institution with more than 5,000 students, international dues are US\$600. If your school is a four-year institution with fewer than 5,000 students, international dues are \$450. These dues not only help maintain your club charter, but they also help CKI in numerous ways:
